LEGAL EXPERIENCE

Nicholas Reed Mediations, LLC Austin & Dallas, TX
Principle September 2020 – Present

I thought there was a better way to mediate modern cases: shorter time slots and virtual mediations. The combination is both time and economically efficient for the parties. Primarily, I mediate pending civil litigation cases including personal injury, property dispute, business litigation, and small claims.

Ely & Reed, PLLC Austin & Dallas, TX
Partner June 2013 – Present

I am responsible for the business of the firm as well as the practice of law as a partner. Our firm primarily represents plaintiffs in personal injury matters and general civil litigation. The cases are litigated primarily in County and District courts across the State of Texas. We average:

- approximately 100 new clients per year;
- approximately 30-50 mediations per year; and,
- two to three trials per year.

Hassell, Moorhead & Carroll Daytona Beach, FL
Associate Attorney Oct 2011 – Dec 2012

As an associate, I researched, drafted, and argued motions, defended and took depositions and examinations under oath, drafted coverage opinions, and was active in trial preparation in the areas of insurance law, aviation law, personal injury and wrongful death actions, alternative dispute resolutions, and general civil litigation.

EDUCATION

St. Thomas University School of Law Miami Gardens, FL
